

## Notice of Hydro Work in Your Neighbourhood

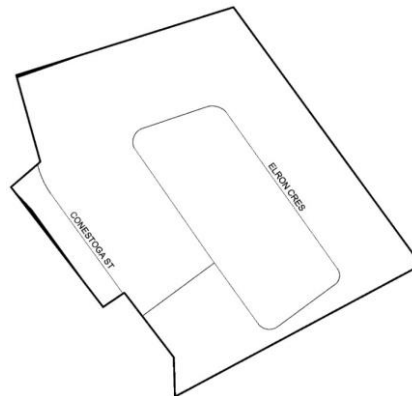

**October 2021 – December 2021**

SYNERGY NORTH is in the process of upgrading the electricity system throughout the area. Your neighborhood is scheduled to be upgraded from October to December 2021.

Both our company and contractor trucks will be on location. Crews will be accessing the transformers and buried cables in your neighborhood to complete upgrades to the system. This will help to maintain the reliability of our network in your area.

The following area will be affected:

- Elron Crescent
- Conestoga Street

***If you have received this notice***, you may experience a few power interruptions during the course of the project. Streetlights in your area may also be affected.

If we anticipate an interruption, we will notify you in advance wherever possible.

**If you have any concerns, special schedules, or questions, please call:**

**Jeremy Puhalski, Lines Construction Supervisor**
