

# NOTICE

## OF HYDRO WORK IN YOUR NEIGHBOURHOOD

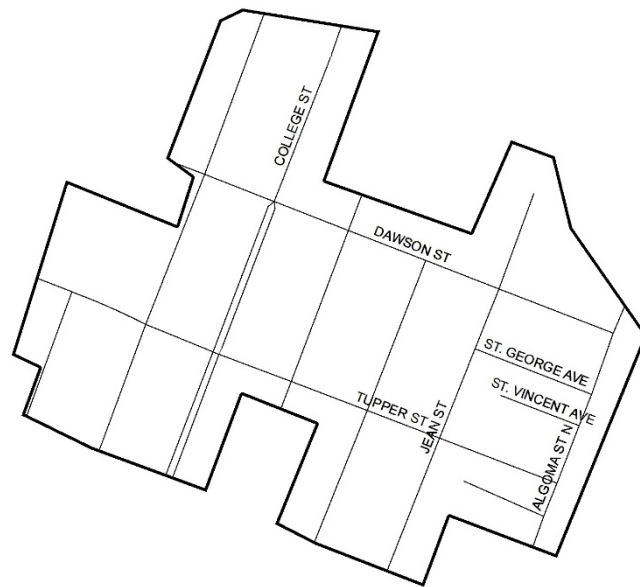

October 2022 – December 2023

SYNERGY NORTH is in the process of upgrading the electricity system throughout the area. Your neighborhood is scheduled to be upgraded beginning in October 2022.

Both our company and contractor trucks will be on location. Crews will be clearing trees, replacing old hydro poles and upgrading the power lines to a higher voltage. This will improve the reliability of the equipment in the neighborhood and make the system more efficient.

The following areas will be affected:

- College St.
- Dawson St.
- Tupper St.
- Jean St.
- St. George ave.
- St. Vincent Ave.
- Algoma St. N
- High St. N
- Sheppard St.
- Prospect Ave.
- Peter St.
- Regent St.
- St. Joseph St.

SYNERGY NORTH will notify you of any Planned Outages before they occur.

If you have any concerns, special schedules or questions  
please call:

Jeremy Puhalski, Lines Construction Supervisor
