

# NOTICE

## OF HYDRO WORK IN YOUR NEIGHBOURHOOD

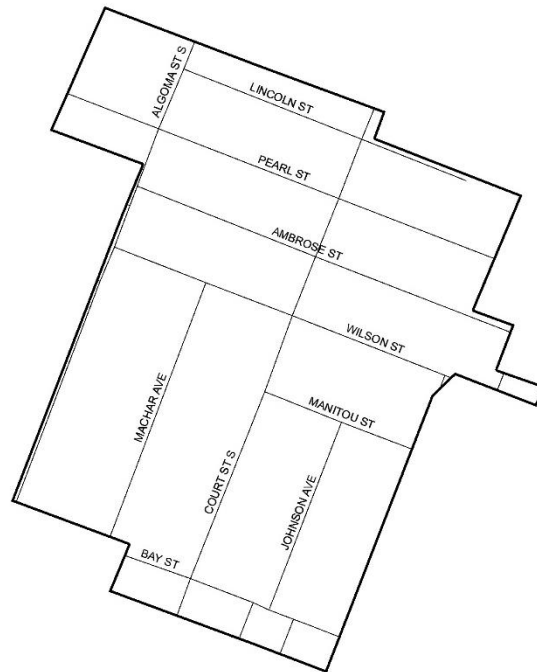

September 2023-December 2024

SYNERGY NORTH is in the process of upgrading the electricity system throughout the area. Your neighborhood is scheduled to be upgraded from September 2023-December 2024

Both our company and contractor trucks will be on location. Crews will be clearing trees, replacing old hydro poles and upgrading the power lines to a higher voltage. This will improve the reliability of the equipment in the neighbourhood and make the system more efficient.

The following area will be affected:

- Algoma St. S.
- Lincoln St.
- Pearl St.
- Ambrose St.
- Wilson St.
- Manitou St.
- Johnson Ave.
- Court St. S.
- Machar Ave.
- Bay St.

***If you have received this notice***, you may experience a few power interruptions during the course of the project. Street lights in your area may also be affected.

For example, when we transfer your service line to the new power lines, power will be interrupted for about an hour. When we anticipate a longer interruption, we will try to notify you in advance wherever possible.

If you have any concerns, special schedules or questions,  
please call:

Jonathan Murphy, Lines Construction Supervisor  
807-343-1176
